

**Gender-Ringvorlesungen organised by Gender Mainstreaming and Diversity Office of
the Medical University of Vienna**

Basics in Gender Medicine Summer Term 2017

(is credited as elective subject and can be credited for PhDs after consultation / 3 ECTS)

**Time: Tuesday class, 5-7.15 p.m. Where: lecture room 12, level 7, Hörsaalzentrum AKH,
LV.Nr. 896.032**

The lecture series examines the influence of „gender“ on occurrence, progression, diagnoses, treatment and prevention of various diseases. It is to understand interdependencies of biological, psycho-social and cultural causes. The course can be attended without any previous knowledge in gender medicine.
